RE: Statement of Exemption from the State of Georgia Charitable Solicitations Registration Requirements

The Savannah Chatham County Public Schools (SCCPSS) Education for A.L.L. Foundation Inc. is a tax-exempt, nonprofit organization formed under Section 501(c)(3) of the Internal Revenue Code.

The mission of the SCCPS Education for A.L.L. Foundation is to ignite a passion for learning and teaching at high levels by fostering the academic growth of all students; providing resources to develop and retain quality educators; and encouraging all segments of the community to actively participate in student education. The Foundation enables individuals and organizations to support extraordinary student achievement at all levels in the Savannah-Chatham County Public School System through tax-deductible donations.

The SCCPS Education for A.L.L. Foundation is claiming exemption from charitable solicitations registration requirements under the provisions of § 43-17-9(a)(1) which exempts "Educational institutions and those organizations, foundations, associations, corporations, charities, and agencies operated, supervised, or controlled by or in connection with a nonprofit educational institution, provided that any such institution or organization is qualified under Section 501(c) of the Internal Revenue Code of 1986, as amended."
